"Ticking away the moments
that make up a dull day.
You fritter and waste the hours
in an off hand way.
Kicking around on a piece of
ground in your home town.
Waiting for someone or something
to show you the way."

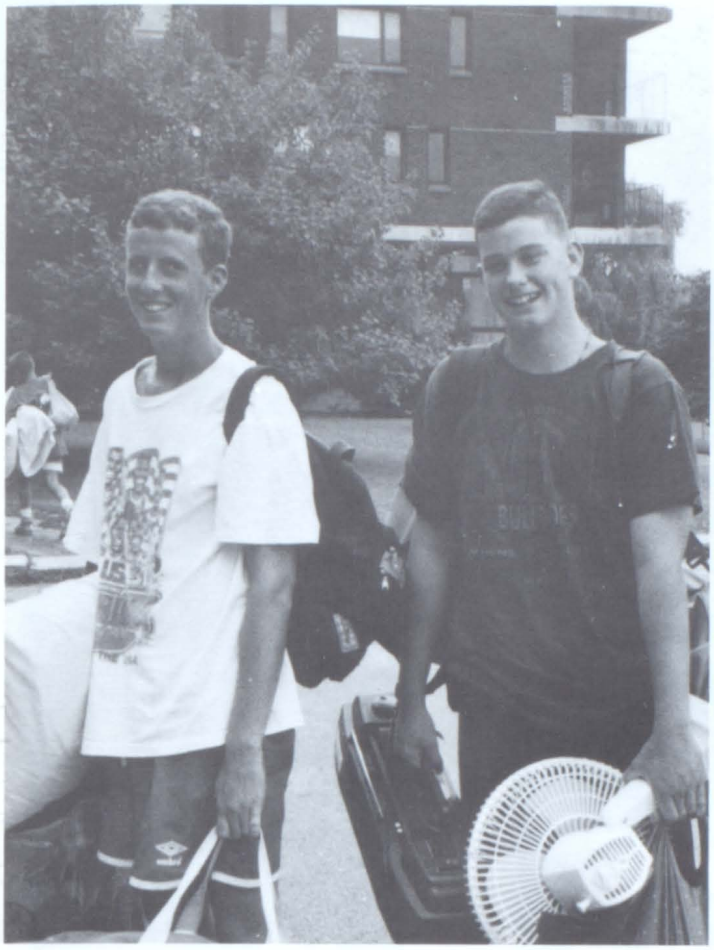

"Tired of lying in the sunshine.
Staying home to watch the rain.
You are young and life is long
and there is time to kill today.
And then one day you find that
ten years have got behind you.
No one told you when to run,
you missed the starting gun.
And you run and you run
to catch up with the sun,
but it's sinking.
And racing around to
come up behind you again."

"The sun is the same in the relative way,
but you're older.
Shorter of breath and one day closer to death.
Every year is getting shorter,
never seem to find the time.
Plans that either come to naught
or half a page of scribbled lines."

"Hanging on in
quiet desperation
is the English way.
The time is gone
the song is over,
Thought I'd something
more to say.

Home, home again.
I like to be here
when I can."

"When I come home cold and tired.
It's good to warm my bones beside the fire.
Far away across the field.
The tolling of the iron bell
Calls the faithful to their knees.
To hear the softly spoken magic spells."

Teacher Of The

Mrs. Susan Smith

Mrs. Smith was born in Greensboro, North Carolina. She graduated from Wake Forest University. She first started teaching sixth, seventh, and eighth grade math in a small school in Georgia. After her children were born, she went back to work, part-time, teaching nursery school for 5 years.

She is active in many professional activities. Mrs. Smith has participated in the American Field Service committee, the Principal Selection committee, the Vice-Principal Selection committee, the Curriculum Coordinator Selection committee, National Honor Society Selection committee, Teacher of the Year committee, and Chairperson of the Education committee at Wake Forest University. Mrs. Smith presently serves as Vice-President of the Suffield Education Association.

In her spare time she enjoys skiing, gardening, reading, and traveling.

What is the best thing about being Teacher of the Year?
"It is the way to thank the people who helped me become a better teacher. I can also acknowledge the hard work and dedication of all those working together in the system. *"A dream we dream alone is a dream. A dream we dream together is reality"*. The reality is the exceptionally fine education available in Suffield today."

Year 1994 – 1995

Top Left- Mrs. Smith diligently working to prepare for her next class.
Top- Mrs. Smith, her husband Mac and their daughter Danielle.
Above- Mrs. and Mr. Smith and their daughter Kori.

Who or what influenced you in becoming a teacher?
"Many of my teachers were positive role models. They helped me develop confidence in myself and encouraged me to *"reach for the stars"*. They also taught me discipline and follow-through. I appreciated being seen as an individual."

What has changed since you first started teaching at Suffield High School?
"The greatest change is the use of technology in the teaching and visualization of mathematical concepts. We are now able to focus on application and implementation of thes ideas. The entire level of work is on a new, higher plane. Problem solving has developed into an art!"

Womens Soccer

The 1994 Womens Soccer team season was one of dreams. The team accomplished a goal. Their goal was to make the state tournament. In seasons past this was only a dream, but with new coach Brian Kibbe this would be a goal that would be reached. The team started off slow, but at mid-season the Wildcats started to roll. Sena Maziarz led the team in scoring and Jen Goodman was extremely strong at the mid field position. With a strong supporting cast the team started rolling win after win. The last game of the season the girls had to beat undefeated E.O.Smith. The girls had to win or tie to make the tournament. They pulled out a tie and finished 7-7-1 to qualify for state play. A first hard loss in the tournament ended the season. Next year the team will have Goodman and Maziarz back. The girls lose only three starters next season. Look out for the Wildcats. We are proud of you!

Varsity

The 1994 Mens Soccer team had its ups and downs this season. The team did not have a goalie to start off the season. Senior David Wilcox stepped in to fill the position. Wilcox had never played goal before and did an excellent job. His specialty consisted of saving those difficult penalty kicks. The team had the luck of having a talented exchange student in the line up. Magnus Leeman from Sweden brought his Swedish finesse for scoring goals. He was tied with senior Ryan Winiarski with eight goals. Leeman's passing skills and talent on the field was overall a pleasure to watch. The defense was led by senior Co-Captain Brian Meyer. The team lost some tight games and some they should have won. Despite that the team made the tournament and suffered a tough loss in the first round. The outlook for next year is good with junior Co-Captain Josh Morrello returning to lead the team. Go see the team next Fall!

Womens

The 1994 Womens Cross Country team season was one of much improvement. With experienced Captain Amy Sheldon leading the way the season looked promising. Sheldon paced herself to many NCCC victories with her great running. Behind Sheldon the team had a good supporting cast in every aspect. With high intensity workouts the girls pulled together and had an enjoyable season. It consisted of a few close losses and many excellent wins. If most of the team returns and works hard over the summer, the 1995 season should be a success. Good luck next year and go get'em 'Cats!

WAY TO GO

The 1994 Mens Cross Country team had an excellent season. This was the best season for the team in about ten years. The Wildcats were led by Co-Captain Chris Cosma who was their number one runner. The junior was helped out by Co-Captain Jason Chaney, and Nate Harris. Coach Corbett knew the season would be a success because this was the first time the Wildcats beat rival Avon. Coach Corbett called the win over Avon the biggest highlight of the season. The 1995 outlook is one of great excellence. The nucleus of Cosma, Chaney, and Harris are all coming back. This is the year that the Wildcats could take home the NCCC title. Please support the Cross Country team in their quest for success. They're the team that can't be beat!

Varsity

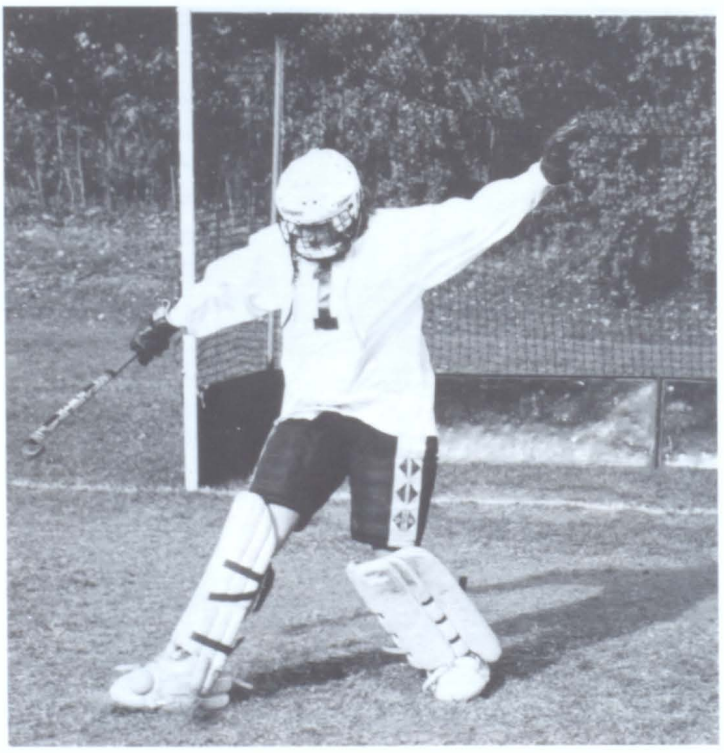

The Suffield Varsity Field Hockey team made a name for themselves in the state this season. They were known as the team with the most ties in the state for any Fall sport. Their record was 3-5-7 and they stepped into the state tournament scene with opponents wondering if their defense would ever let up. Tri-Captains Courtney Nogas, Lisa Foster and Missy Glynn led the way, as our feisty ladies with sticks had a pretty successful season. The seniors will be greatly missed and the outlook for next year will be a rebuilding season. It will be hard to replace the mid-field play of Beckie Estee, Lisa Foster and Missy Glynn and the defensive play of Courtney Nogas and sweeper Karli Zien. The spirit of the team will be carried on next year by Kathy Dunn. Hard work and dedicated play will help the Wildcats in the rebuilding season. Good luck girls!

Womans Basketball

The Womens Basketball team did a complete turn around in 1995. They struggled to a 3-10 start and were beginning to feel the pressure of tournament time approaching. Senior Captain Amy Sheldon encouraged the girls to keep up the hard work and eventually things would turn around. Juniors Kristin Berriman and Jessica Shapiro turned up the offense and the team began to run off with five wins in a row. Coach "C" utilized junior Kara Beck for her rebounding, junior Kathy Dunn for her defense and sophomore Sena Maziarz's speed to great length. Everything began to click. With a win over Granby the Wildcats qualified for the state tournament for the first time in eight years. The outlook for next season is one of promise. The girls lose the leadership of Sheldon and senior Ann Naughton. The team has four of their starters returning. Coach "C" does not want the girls to rest on their laurels so they will be working hard in the off season. Congratulations girls on a great season! Hear the Lady 'Cats roar in '96!

Varsity

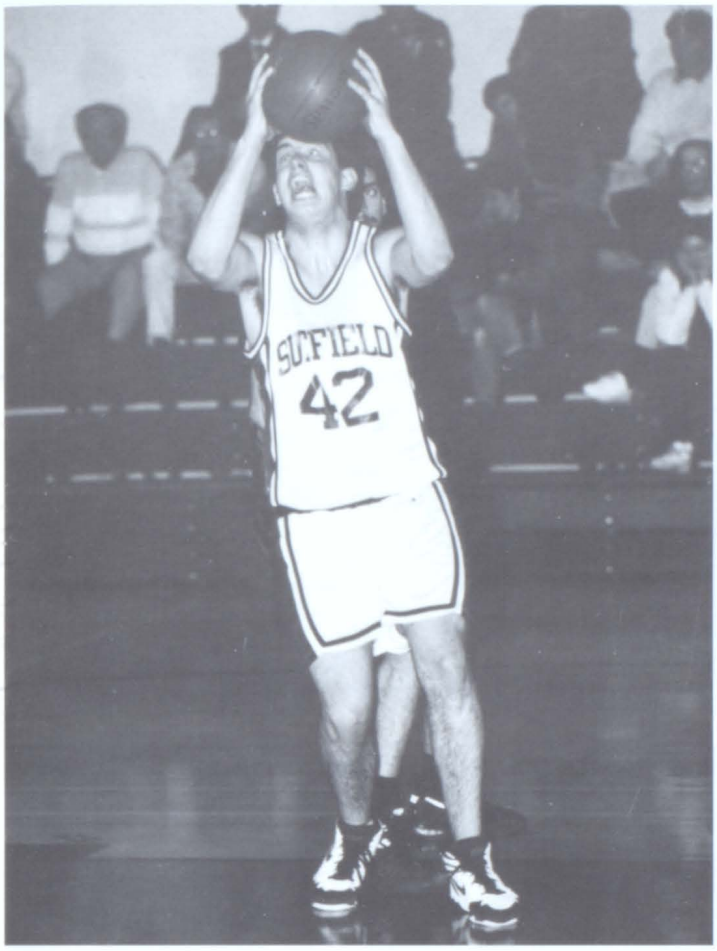

The 1995 Mens Basketball season was a season that could have been. The men had some very tough and tight losses. Teams coming into Suffield new that they were going to have a tough fight. The tandem teamwork of Chris Stone and Scott Bikowski scared many teams. Stone's great rebounding and defense, along with his dangerous threat on offense, gave Suffield a huge boost. Bikowski's dangerous three point shot put fear into the opponents eyes every time he had the ball behind the arc. Seniors David Wilcox and Eric Provencher provided the team with leadership and stepped up when needed. With Bikowski, Wilcox and Provencher graduating, the Wildcats have some big shoes to fill. Coach Aniello believes hard work in the summer will be the key to either a rebuilding season or a banner year. Good luck and work hard!

Track

The 1995 Indoor Track team had one of its best turn outs ever. The women were led by sophomore Katie Ashworth. She had a great supporting cast to back her up. Lisa Foster, Erika Brown, Addie Seiler and Jennifer Goodman helped the team shine bright. All of the girls had a great work ethic and it resulted in their success. On the mens side Captain Chris Coma led the team to a great year. He was helped out by Andy Wilkie, Mike Johnson, Joe Szcepa, Bob Quagliaroli and Kevin Arch who had excellent skills. The outlook for the women next year is very positive. They will have to fill the shoes of Erika Brown and Lisa Foster, which will be tough. Look for the men to have a superb season in '96, for they only lose one senior. Good luck to the team in 1996!

RED HOT

The 1994 softball team went through some hard times this year. Although their record was 3-13, their effort was evident. Missy Glynn was the team leader in batting average, RBI's and runs scored. The pitching was led by Courtney Nogas and Jen Connelly, who really came around at the mid-point of the season. This was the first year that Nogas began pitching and she will make a big difference next season as well as Connelly. The outlook for the 1995 campaign is a hopeful one with only one starter missing from last years team. Glynn, Connelly, Nogas, and returning Captain Lynn Bouchard will lead the team on the field for what hopes to be a memorable 1995 season.

—Coach Urrichio

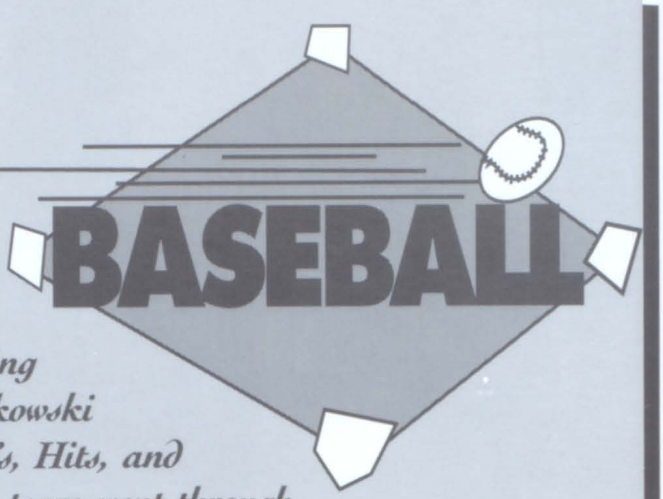

Left- Courtney Nogas listens to the coach as the play is discussed.

Above- Jennifer Connelly delivers the ball to home plate.

The 1994 baseball season was one of peaks and valleys. The season started off on a great note. The offense was running smoothly with Scott Bikowski leading the way in RBI's, Hits, and HR's. In mid season the team went through some injuries. Their play slipped a little. Paul Mandirola was a key factor in keeping the team together along with Bikowski. Bikowski was an NCCC selection and a All-State selection. The outlook for the 1995 season is good. Five starters return. Mandirola and Bikowski will be the nucleus of the team in '95. This should be an exciting year for the baseball team. Go out and see the boys of Spring.

Tennis

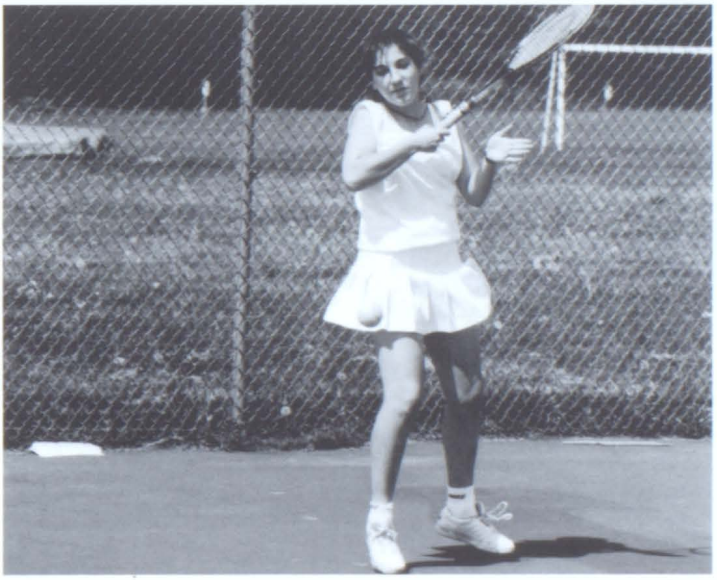

The 1994 Womens Tennis team was the team that was thought to be rebuilding. The season started with a 6-1 loss to Canton. Ann Naughton was a strong number one player as was Helen Morgan in the number two slot. Naughton lost only three matches all year and Morgan lost only two. The two qualified for the state tournament. Jana Mariano was strong at the first doubles slot. Coach Scott Snow is looking for a strong showing in '95. We lost two players from last years team and look to be strong in the NCCC this year. The team played Canton again at the end of the year and lost 4-3 ... A big improvement from the first time they met. The outlook is one of optimism in 1995.

Varsity

The 1994 Mens Tennis team was considered one of success. The team was lead by Pat Sullivan and Dave Wilcox. Sullivan was a solid number two player throughout the year for the Wildcats. Dave Wilcox held one half of the first doubles team. Wilcox was a first year player and held his own throughout the tough NCCC season. Another first year player that was solid was Yun Sung Hong. The 1995 team is one of high expectations with the returning players. "With the players that we have returning we should be a contender for the NCCC crown." said Sullivan with great excitement. The teams 7-3 record was 4th in the NCCC and had a 3rd place showing in the state tournament. The squad is young and the expectations are high for the 1995 season. Is this the little girl I carried?
Is this the little boy at play?
I don't remember growing older.
When did they?
When did she get to be a beauty?
When did he grow to be so tall?
Wasn't it yesterday when they were small?
Sunrise, sunset. Sunrise, sunset.
Swiftly flow the days.
Seedlings turn overnight to sunflowers,
Blossoming even as we gaze.
Sunrise, sunset. Sunrise, sunset.
Swiftly fly the years.
One season following another,
Laden with happiness and tears.
